PONDS: Recognizing and Responding to Environmental Threats

with Bryan Horsley, Restoration Technician, Association to Preserve Cape Cod

Tuesday, May 21 ~ 6:30 PM

EASTHAM PUBLIC LIBRARY

“Ponds and other wetlands are open to the world and vulnerable to all we impose on them, with their health both a bellwether of a healthy environment and vital to our own safe enjoyment of our natural resources.”

Coming June 4, “How Healthy Are Eastham’s Ponds?” with Dr. Liz Moran
